Made with natural, nontoxic, biodegradable ingredients, SunBright® products are environmentally and family friendly, reducing exposure to unhealthy and hazardous ingredients found in everyday cleaning products.

SunBright® SuperClean™ Household

Use it to clean anywhere in your home, inside and out, including countertops, dishes, grills, cars, carpets, and tiles.

SunBright® Bleach

SunBright® Bleach is chlorine free, color-safe for most fabrics, and is your answer to a superior-clean home and super clean clothes without any unhealthy, damaging effects. It also improves the finish on chrome, upholstery, and other kitchen appliances.

SunBright® SuperClean™ Laundry

SuperClean™ Laundry uses natural ingredients such as tea tree oil and lemongrass oil, and is made without harmful chemicals and artificial fragrances. So concentrated just half a capful does a regular load of laundry, it's safe for virtually all washable fabrics and colors and leaves clothes smelling fresh and feeling soft.

Bring Clean to Your Produce

Take our environmentally and family friendly mantra to the next level with SunSmile® Fruit & Vegetable Rinse. Naturally derived ingredients clean dirt, waxy coatings, oily substances, and other undesirable substances from fruits and vegetables. The primary cleansing agent is an edible, biodegradable surfactant derived from corn starch and coconut oil. Dr. Chen considers this product one of his best formulas and even uses it in Sunrider's manufacturing facilities.

New Year, Clean House!

De-Clutter and De-Stress

Many of us undergo a daily battle in our own homes—a disorderly quest to squelch clutter and fight filth. Since a clean, organized home is more conducive for productivity and tranquility, it's time to take back your home.

Why wait for spring cleaning to give your home a healthy makeover? Welcome the New Year with a clean home and start 2012 off right.

Wash Dirty Dishes STAT.

Don't wait to do the dishes! Prevent sink clutter and dish backup by cleaning the dishes when dinner is done.

Sort Mail When Received.

Trash it, file it, respond to it, or take action on it—don't let it build up.

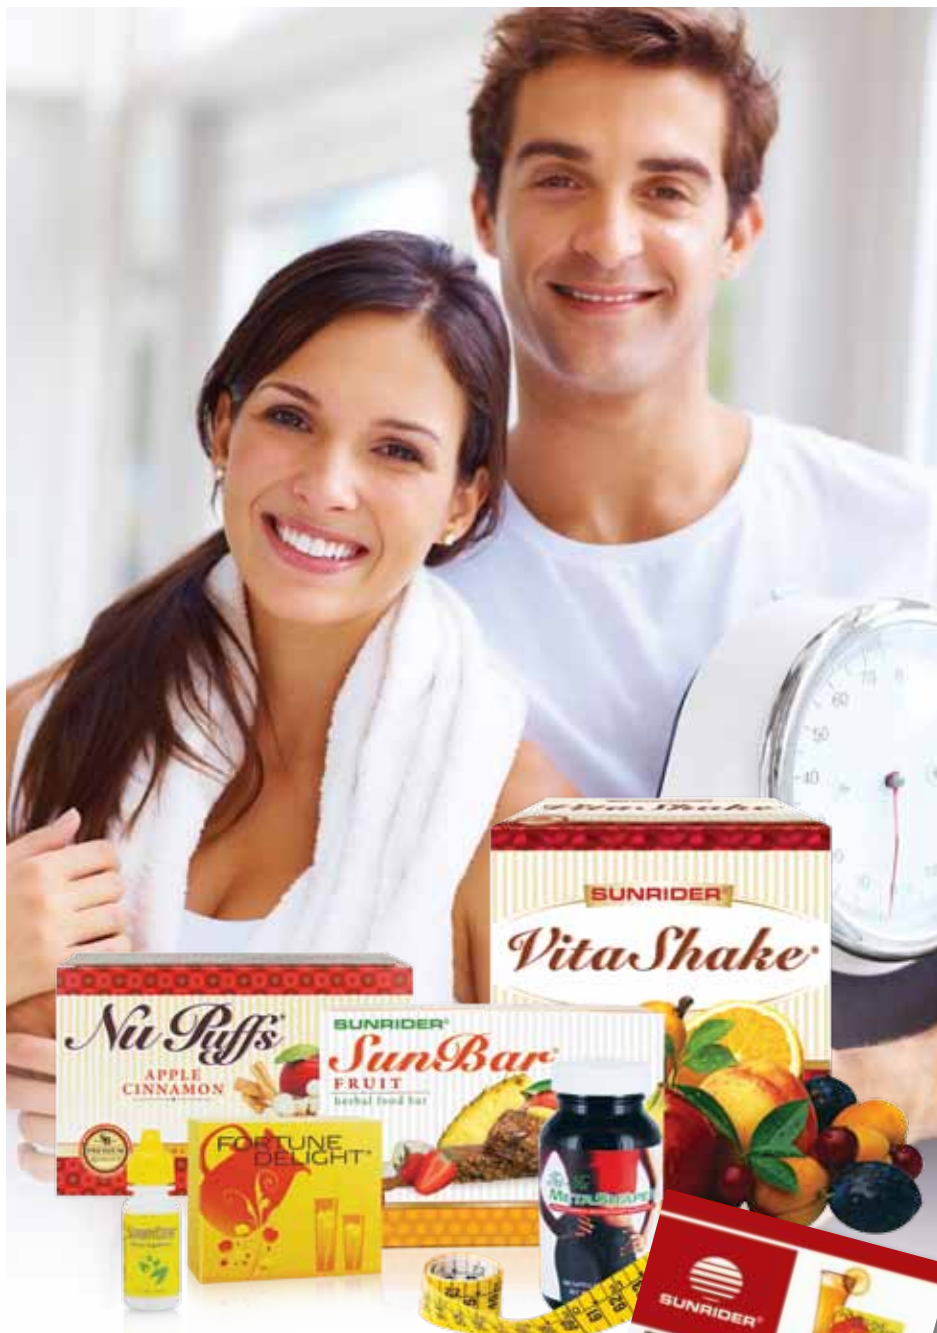

Clean One Room a Day.

This is less daunting than cleaning the whole house, and gives you an easily attainable, clear goal.

Take a picture— it lasts longer.

De-clutter while reserving a soft spot for the sentimental things by snapping pictures of old gifts and mementos. Then throw away or donate without any guilt.

- 1 cup firmly packed kale or collard greens, stems removed, roughly chopped
- 1 green apple, coarsely chopped
- 1 banana
- 1/2 cup loosely packed fresh flat-leaf parsley leaves
- 1 packet NuPlus® Simply Herbs™
- 1 packet Quinary®
- 8 oz. water or Fortune Delight® (chilled, any flavor)
- *Optional: 1 vial of Evergreen®*
- *Optional: ice*

Directions:

Combine all ingredients in blender and blend until smooth. If the mixture is too thick, add more Fortune Delight® or water.

Healthy Smoothie & Shake Tip:

For an extra dose of healthy goodness, add a large handful of spinach to any smoothie or shake you make, adding to the mixture pre-blend. You won't even be able to taste the spinach, and the benefits are great.
